Dear Parents,

I am delighted to have the opportunity to work with your child this year. Singing and playing music can bring joy and satisfaction, and I hope your child will have that rewarding feeling about music as we work through our lessons together.

I have been playing and singing music all my life, and have experience in teaching, performing, conducting, and composing. I earned a degree in music education from Berry College, in Rome, Georgia in 2009. I have taught music in middle school and elementary school, and I am presently the music director at First United Methodist Church in Blackshear.

I look forward to sharing the joy of music with your child. My goal is to help all my students develop music skills as well as a love and appreciation for music. Thank you for allowing me to engage in this fulfilling pursuit with your child! Please contact me if you have any questions.

Sincerely,

Anna Pinder
